THE CORPORATION OF DELTA.

A By-law to provide for the Repairs for the Works constructed under the “Delta Dyke and Drain By-law Number 1” and under the “East Delta Drainage By-law, 1912,” and to borrow the Sum of \$23,223.51 to carry out such Work. Provisionally adopted this 26th day of November, 1921.

WHEREAS the Municipal Council of the Corporation of Delta, on the 22nd day of October, 1892, duly passed the “Delta Dyke and Drain By-law Number 1” to provide for the dyking and draining of a portion of the Municipality of Delta, known as Mud Bay Flats Dyking and Drainage Works, and to borrow the sum of twenty-eight thousand eight hundred and twelve dollars (\$28,812) for completing the same:

And whereas the Municipal Council of the Corporation of the District of Delta, on the 13th day of July, 1912, passed the “East Delta Drainage By-law, 1912,” for the purpose of providing drainage for parts of Townships Three (3) and Four (4), in the Municipality of Delta:

And whereas the said works were carried out under the provisions of the “Municipal Act,” and

it becomes necessary to do further work to preserve, maintain, and keep in repair the same at the expense of the lands and roads benefited:

And whereas by section 127 of the “Municipal Act” it is provided that where repairs required are so expensive that the Municipal Council does not deem it expedient to levy the cost thereof in one year, the Council may pass a by-law to borrow upon the debentures of the municipality the funds necessary for the work, and to assess and levy upon the property benefited a special tax sufficient for the payment of the principal and interest of the debentures:

And whereas the repairs required are so expensive that the Municipal Council does not deem it expedient to levy the cost thereof in one year:

Therefore, the Municipal Council of the Corporation of Delta enacts as follows:—

1. That the sum of \$23,233.51 be borrowed on the credit of the Corporation of Delta, being the funds necessary for the preservation, maintenance, and repair of the works constructed under the “Delta Dyke and Drain By-law Number 1” and the “East Delta Drainage By-law, 1912,” and that debentures of the Corporation to the amount of \$23,233.51 be issued in sums of not less than one thousand dollars (\$1,000) each, and payable in five years from the date hereof, with interest at the rate of six per centum per annum; such debentures, both as to principal and interest, to be payable at the Royal Bank of Canada in Ladner, in the Province of British Columbia, and to have attached to them coupons for the payment of interest.

2. That for the purpose of paying the said sum of \$23,223.51, being the amount charged against the said lands so to be benefited as aforesaid, and to cover interest thereon for five years at six per centum per annum, the following special rates over and above all other rates shall be assessed and levied in the same manner and at the same time as taxes are levied upon the undermentioned lots and parts of lots, and the amount of the said special rate and interest assessed as aforesaid against each lot or part of lot, respectively, shall be divided into five equal parts, and one such part shall be assessed and levied as aforesaid in each year for five years after the final passing of this by-law during which the said debentures have to run:—
